Parking Instructions

Loading and unloading zones will be made available in between the Langford A and C buildings as well as in Lot 54. Student volunteers will be made available to assist with loading and unloading.

Parking will be available in the Central Campus Parking Garage. The Department of Landscape Architecture & Urban Planning will validate your parking ticket so there will be no charge for using the garage.

Below you can find maps detailing the following:
  • Designated Loading & Unloading Locations
  • Location of Central Campus Parking Garage
